Robotics Summit tops STEAM celebration

At a glance

- Robotics Summit May 5
- May's forecast: Heating up to STEAM Weeks
- Social marketing campaign takes root

Join our Umpqua Valley STEAM Hub, DCPSS, and the Boys & Girls Clubs of the Umpqua Valley at the [Robotics Summit at 6:30 p.m. May 5](#) in the Community Room at the Boys & Girls Clubs of the Umpqua Valley, 1144 N.E. Cedar St. The summit will serve as a launching point to unite some robotics clubs and programs in the area and discuss ways to collaborate in mini-competitions, reach more youth in our area, and talk about innovations to strengthen all of our programs. RSVP numbers to umpquavalleysteamhub@gmail.com.

Community invited to add STEAM to May 2-16

Schools, clubs, teachers, nonprofit groups, youth clubs and others involved in education are invited to [join the Umpqua Valley STEAM Hub in marking STEAM Weeks, taking place from May 2-16, 2015](#). The local dates have been extended from the statewide observance to allow participation over two weeks.

To find out more about statewide STEAM Week May 2-9 efforts, visit www.stemoregon.org. We're collecting a roundup of summer STEAM/STEM camps.

Some are on [this poster](#), but we need your help adding more. Submit summer camp and other events on our website [HERE](#).

Invites Douglas County students, schools and youth clubs to celebrate STEAM Week at the:

SCIENCE, TECHNOLOGY, ENGINEERING, and MATHEMATICS (known as STEAM education) are the fastest-growing disciplines and related skills today's students will be expected to use tomorrow. In Douglas County, we've added the 'A' to recognize the **ARTISTIC INNOVATION and INTEGRATION** of all those disciplines. The Umpqua Valley STEAM Hub is fueled with encouraging youth leaders, parents and students to actively pursue STEAM learning opportunities. We join the rest of Oregon's regional STEAM Hubs May 2-9 to celebrate STEAM week, AND we've extended our celebration another week through May 16 to integrate local offerings.
