

The Umpqua Valley STEAM Hub presents.....

Setting the stage for

Science - Technology - Engineering - Art - Math
Education using the Next Generation Science Standards

AUDIENCE - Emerging leaders in **STEAM** education
in Douglas County:

- Classroom Educators providing in-school **STEAM** Education
- Adults working with Youth in out-of school settings.

PURPOSE - The purpose of the 3 day professional
development is to:

- Develop a shared understanding of the role and purpose of **STEAM** learning experiences.
- Develop a shared commitment to providing **STEAM** learning experiences for all youth in Douglas County both in and out of school.
- Develop common language to describe quality **STEAM** learning experiences through the Next Generation Science Standards and other supporting resources
- Develop youth learning experiences in **YOUR** area to support youth.
