

**Invites  
Douglas County  
students, schools  
and youth clubs  
to celebrate  
STEAM Week at  
the:**

# Robotics Summit

**6:30 p.m. May 5**

**at the Boys & Girls Clubs of the Umpqua Valley, Community Room, 1144 NE Cedar St., Roseburg**

For more info call 541-440-9505

SCIENCE, TECHNOLOGY, ENGINEERING, and MATHEMATICS (known as STEM education) are the fastest-growing disciplines and related skills today's students will be expected to use tomorrow. In Douglas County, we've added the 'A' to recognize the **ARTISTIC INNOVATION and INTEGRATION** of all those disciplines. The Umpqua Valley STEAM Hub is tasked with encouraging youth leaders, parents and students to actively pursue STEAM learning opportunities. We join the rest of Oregon's regional STEM Hubs May 2-9 to celebrate STEM week, AND we've extended our celebration another week through May 16 to integrate local offerings.

*Here are MORE ways you can move full STEAM ahead:*

**{ 1 }**

**Register  
for a  
summer  
camp**
